

# KELTIC REGGAE ALL STARS

## ARTIST INFORMATION SHEET — WHAT YOU GET

2026 — For Clients & Event Organisers

### WHO ARE THE KELTIC REGGAE ALL STARS?

The Keltic Reggae All Stars are one of Ireland's most exciting live acts — a 6–8 piece professional reggae band with deep roots in the global reggae community. Between them, the band members have toured internationally, recorded in Jamaica, played alongside reggae legends from Kingston to London, and built genuine friendships with the old-school reggae world.

What makes them special is the authenticity. This is not a party band that plays reggae hits to fill a dancefloor (though they will absolutely fill your dancefloor). This is a group of serious musicians who live and breathe the music — and that comes through in every performance.

### THE MUSIC

#### ROOTS REGGAE

Classic one-drop rhythms. Deep and soulful. The foundation of everything.

#### DANCEHALL

High-energy rhythms guaranteed to get every generation on the dancefloor.

#### SKA & ROCKSTEADY

The brass section comes to life. Perfect for dancefloor energy at any event.

#### LOVERS ROCK

Smooth, romantic reggae — ideal for weddings and special occasions.
