

KELTIC REGGAE ALL STARS

TECHNICAL RIDER — 2026

Please share this document with your venue / production manager

The Keltic Reggae All Stars travel with their own backline and effects where possible. The requirements below relate to what the venue/promoter must provide. Please contact our technical manager to discuss specifics before the event date.

PA / SOUND SYSTEM

- Professional front-of-house PA system — minimum 4kW for venues up to 500 capacity
- 4 x stage monitor wedges minimum (8 preferred), independently mixed
- Dedicated FOH engineer or provision of band's own engineer
- Monitor mix: at least 4 separate mixes
- Full DI boxes for keys (2 x stereo) and bass
- Drum click/IEM feed available on request
